TELESERVICES FREE YOUR MIND AND FOCUS ON YOUR BUSINESS

Because your Citroën is your working tool, it must stay operational at all times. Teleservices frees up your time and makes your life easier. Our advisors inform you by phone⁽¹⁾ about your vehicle intervention needs and propose you an appointment, if necessary.

TELESERVICES YOUR FREE CONNECTED ASSISTANT

Teleservices is a connected service, which uses the intelligence of a telematics box. To benefit from this free service, your Citroën must be equipped with the Citroën Connect Box. Teleservices ensures the good functioning of your vehicle and informs you, in case a safety or a maintenance alert⁽²⁾ is issued. Thus, Teleservices contributes to organise and ensure your mobility during the immobilisation time.

TELESERVICES LETS YOU DRIVE WITH PEACE OF MIND

Thanks to Teleservices, maintenance needs are anticipated and easily scheduled, if necessary, a replacement vehicle can be booked.
