Performance with care for the environment

With its sophisticated and technologically advanced range of engines, Citroën is well placed to reconcile performance with low taxation levels and reduced environmental impact.

Today more than ever, this means that when choosing a Citroën vehicle you are guaranteed access to superb value for money motoring.

For example, the New Citroën C4 X PLUS, when specified with the Hybrid 136 ë-DCS6 auto powertrain, produces 106 g/km of CO_2 while driving, and therefore qualifies for the F band of Vehicle Excise Duty.

Company Car Benefit-In-Kind Taxation Charges

The Company Car Benefit-In-Kind Taxation charge is based upon the type of fuel used, and the level of CO_2 emissions, measured in grams per kilometre (g/km). The table below shows the percentage of the car's list price to be taxed (P11d value†).

For example, a New Citroën C4 X PLUS Hybrid 136 ë-DCS6 auto has a CO2 emissions figure of 106g/km and a P11d figure (as of April 2025) of £24,590.

The BIK value would therefore be 27% x £24,590 = £6,639.30.

Click here for more information about the Company Car Benefit-In-Kind Taxation Charges can be found on: or by contacting Citroën Fleet Connect on 0800 023 4000.

NEW CITROËN HOLIDAYS

Citroën & You

A network of Citroën New Car Retailers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Retailers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Citroën Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

Citroën Personal Lease

Personal Lease is an alternative way to enjoy a new Citroën without the cost of ownership. Instead of owning the car, you rent it for a fixed period and then return it to your local retailer where you can exchange it for a brand new one.

You set your preferred contract terms and anticipated annual mileage. With leasing which can be arranged for a period up to 4 years, Personal Lease offers you an alternative method of funding your new Citroën. One initial bulk advance rental will be required. This is between 14%–16% of the 'On the Road Recommended Retail Price' plus any advance rental contribution from Citroën UK.

Excess mileage charges may apply if the agreed annual mileage is exceeded. Citroën contribution on selected models only. Payment of the optional final rental extends the rental term (this does not transfer title of the vehicle) & requires an annual rental equivalent to one month's rental. All based on a 36 month contract with an annual mileage set at 6,000 miles on C1, C3, C3 Aircross, Berlingo and 8,000 miles on all other models. All rentals inclusive of VAT. Finance subject to status. Over 18s only. Finance provided by and written quotations available on request from PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA. PSA Finance UK Ltd is authorised and regulated by the Financial Conduct Authority.

Citroën Fleet and Business Sales

All Citroën New Car Retailers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aim to provide a 'total transport solution' for all your fleet or business vehicle needs.

If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 0800 023 4000. Or click here

Comprehensive Warranty

Every new Citroën car offers the benefit of a three year* warranty package, plus a 12 year anti-perforation** warranty and a three year paint warranty.

** Against all internal to external perforation to bodywork or underbody on condition the car undergoes an inspection by a Citroën franchised Retailer every two years from its fourth anniversary.

Extending Your Warranty

For continued peace of mind, you can extend your warranty beyond the end of Citroën's manufacturer warranty with a Citroën Extended Warranty, providing your Citroën is less than 3 years old and has covered less than 60,000 miles.
