## How to use this brochure

This is an interactive brochure which allows you to browse it in the same way as you might browse a website. Just click on buttons and links and they'll take you to other parts of the brochure. For example, you can click any of the contents above to jump straight to the section, and you can click on the home button at any point to bring you back to the contents page. You can explore and discover even more about the Astra Griffin in the integrated price and spec guide at the end of the brochure.

# ALL GRIFFIN. NO BULL.

The Astra Griffin. Bold, sporty and full of all the features you need to get more out of life. As standard.

It all starts with stand-out styling details like 18-inch alloys, dark-tinted rear windows and more. While inside you'll find a bunch of creature comforts, like heated front seats, 7-inch touchscreen and sat nav.

So, let's get going shall we?

## Made you look

Sleek, smooth lines brought together by the rising curve of its floating roof – Astra Griffin sure knows how to turn heads.

<sup>#</sup>Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: [vauxhall.co.uk/wltp](http://vauxhall.co.uk/wltp) <sup>\*</sup>CO<sub>2</sub> emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO<sub>2</sub> produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO<sub>2</sub> with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.
