TEST DRIVE

INSIGNIA SPORTS TOURER

MAKE YOUR **BIG** ENTRANCE.

Ready to impress? Insignia Sports Tourer is. Coupé-like lines and a refined style gives you space for adventure – wherever you go, whatever you're up to.

VX_INS_26370

COCKPIT

THIS IS YOUR PERSONAL SPACE.

Sit down, settle in.

Behind the wheel, you'll soon see what it's all about. You.

An ergonomically designed cockpit with controls that fall easily to hand. An infotainment touchscreen poised just a touch away. And a choice of seat that can be adjusted up to 18 different ways (it can even be ventilated and give you a nice massage).

So relax, make yourself at home. This is Insignia.

INNOVATION AND SAFETY

THIS IS A FLASH OF BRILLIANCE.

Driving at night on busy roads after a hectic day – it's not ideal.

Hang on though. With Insignia, you can relax.

Because it's got bright ideas like new IntelliLux LED® Matrix headlights. They shape their beam to avoid dazzling oncoming drivers, so you drive with less stress (and no need to switch your headlights, ever).

But it's only one of the smart ways we're making your drive more brilliant.

FRONT CAMERA DRIVER ASSISTANCE SYSTEMS

NOT JUST SAFETY FOR TOMORROW.
SAFETY FOR THE NEXT MILLISECOND.

Ever thought what a good driver does?
Keep their eyes on the road and think ahead.

Which is exactly what Insignia helps you do,
every split second.

Its advanced front camera safety systems
tirelessly watch the road ahead to keep
you alert, calm and help avoid mishaps.

For more detail on the Insignia's driver assistance systems, please refer to the Insignia Price and Specification Guide, available to download from vauxhall.co.uk/insignia

Please note: 8-inch driver information display, illustrated right, standard on Elite Nav and GSi Nav models only, optional on all other models except Design.

VX_INS_26457

VX_INS_26452

3

1. It watches out for traffic signs.

Get speed limit alerts to help you drive legally and avoid fines. Traffic sign recognition reports important road signs for safer travels*.

3. It helps you drive more precisely.

If you drift out of your lane without signalling, the lane departure warning system alerts you with a sound, then a gentle nudge of your steering wheel.

4

2. It lets you know if you're approaching too fast.

When you're in busy traffic, forward collision alert warns if you approach the car in front too fast, and will automatically brake for you as a failsafe.

4. It can help avoid accidents.

If a pedestrian is detected in your car's path, automatic emergency braking pre-boots the brake for greater stopping power, and is ready to fully apply the brakes if you don't react. A true lifesaver.

*Traffic sign recognition is included with Insignia Nav models.

ADVANCED INTELLILUX LED® MATRIX HEADLIGHTS

YOU'LL LOOK SHARP IN THE DARK.

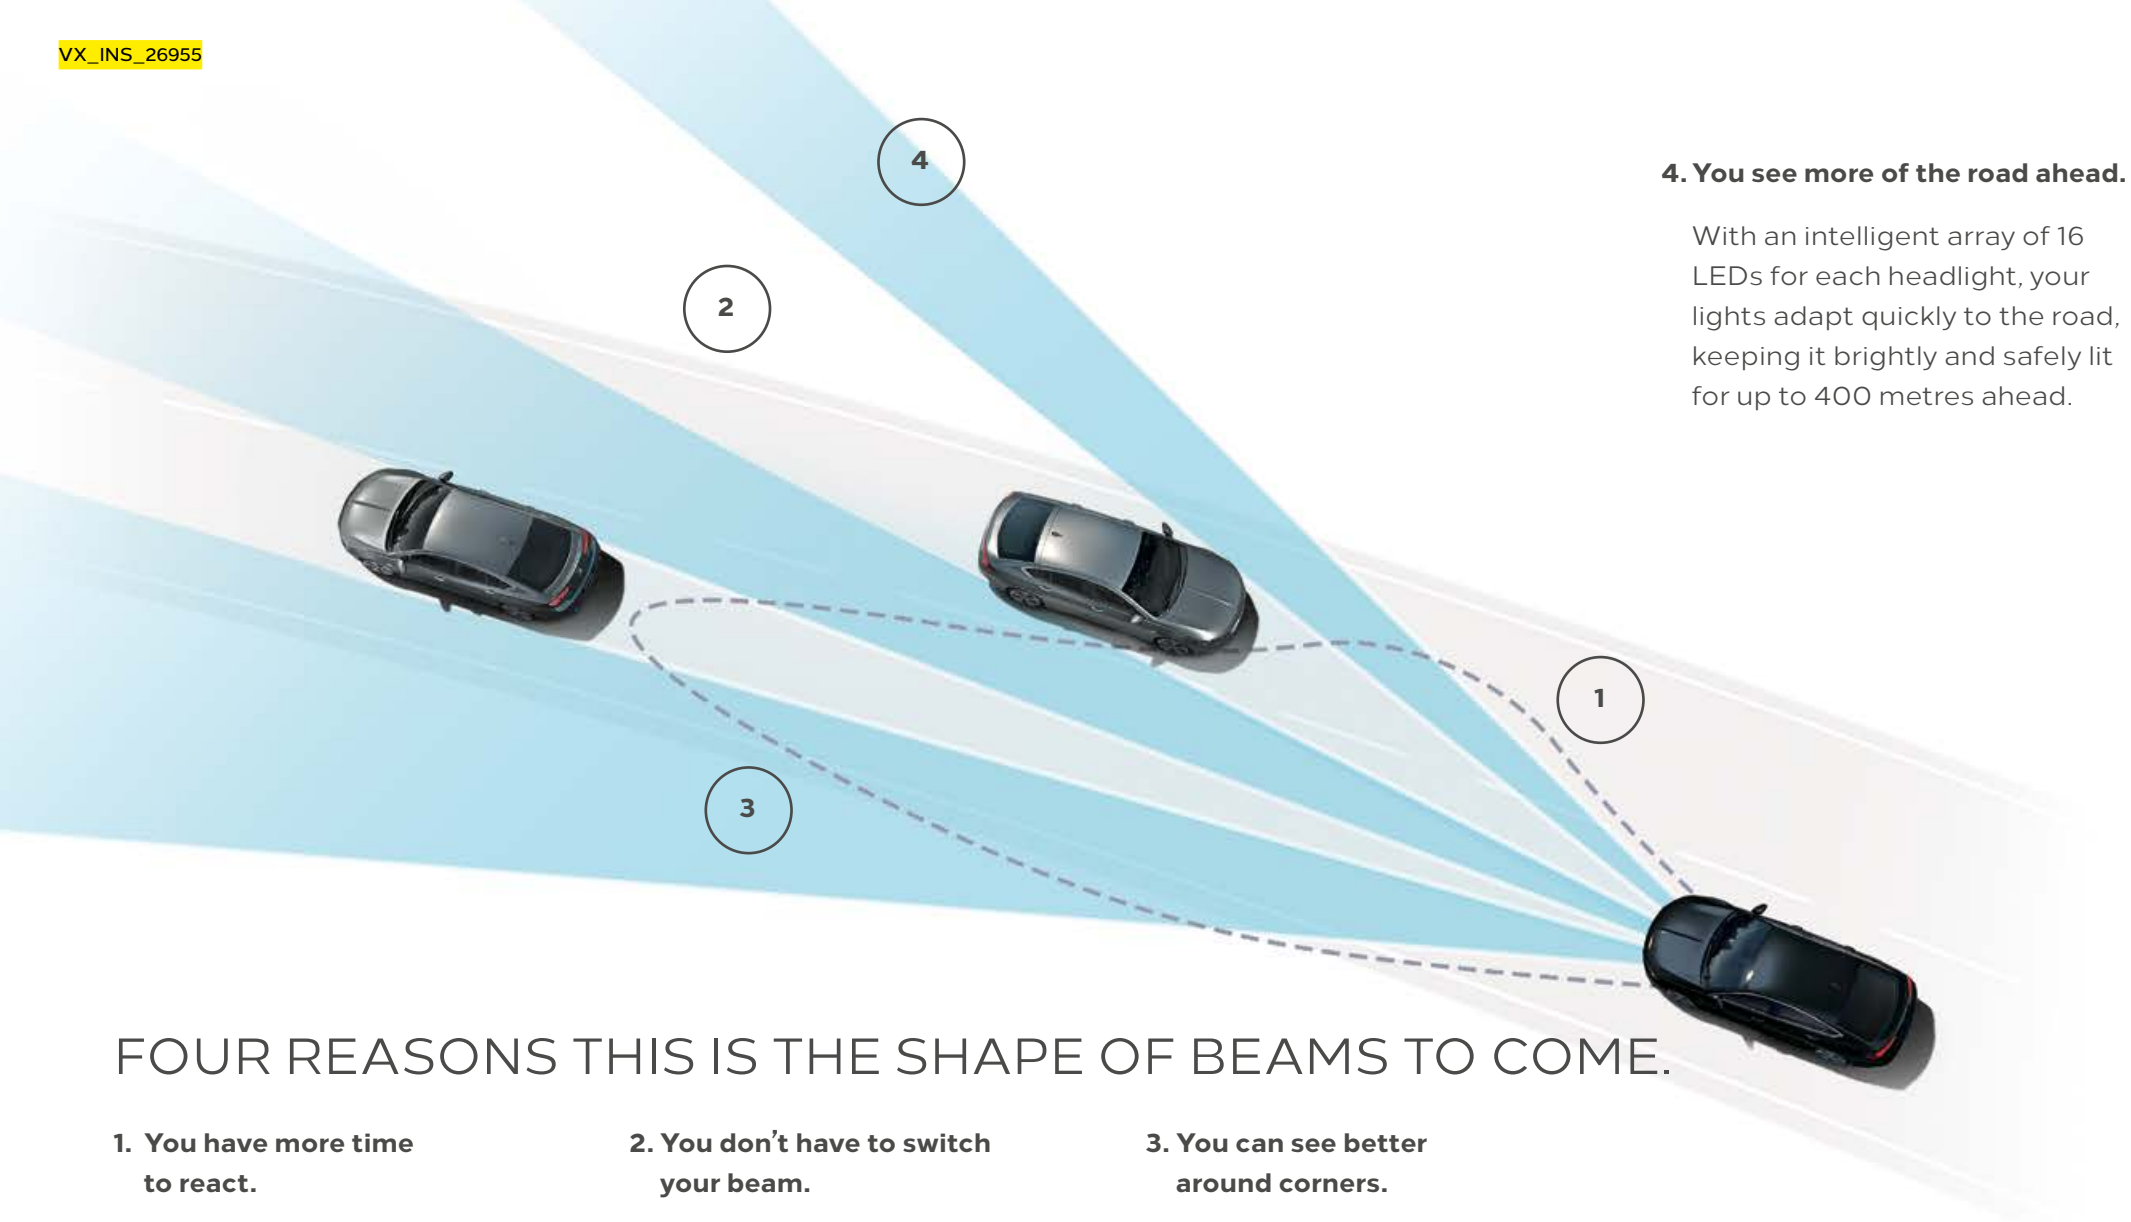

IntelliLux LED® Matrix headlights* are a bright idea for a safer, more relaxed drive on night roads.

They shine a powerful beam that instantly shapes itself to driving conditions.

Replacing the dipped and main beams, each headlight is a cluster of 16 powerful LEDs which illuminate the road, switching independently to precisely shape the beam pattern around oncoming traffic.

For more detail on the Insignia's IntelliLux LED® Matrix headlights, please refer to the Insignia Price and Specification Guide, available to download from vauxhall.co.uk/insignia

*Standard on Elite Nav and GSI Nav models, optional on other models except Design.

4. You see more of the road ahead.

With an intelligent array of 16 LEDs for each headlight, your lights adapt quickly to the road, keeping it brightly and safely lit for up to 400 metres ahead.

FOUR REASONS THIS IS THE SHAPE OF BEAMS TO COME.

1. You have more time to react.

A brighter, sharper beam means you can spot hazards up to 1.8 seconds earlier, the equivalent of 40 metres at 50mph.

2. You don't have to switch your beam.

Individual LEDs independently switch on and off to instantly shape the beam around approaching vehicles so you don't have to switch beams.

3. You can see better around corners.

On slow, tight bends the headlights automatically shine a beam into the corner you're taking, giving you greater visibility.

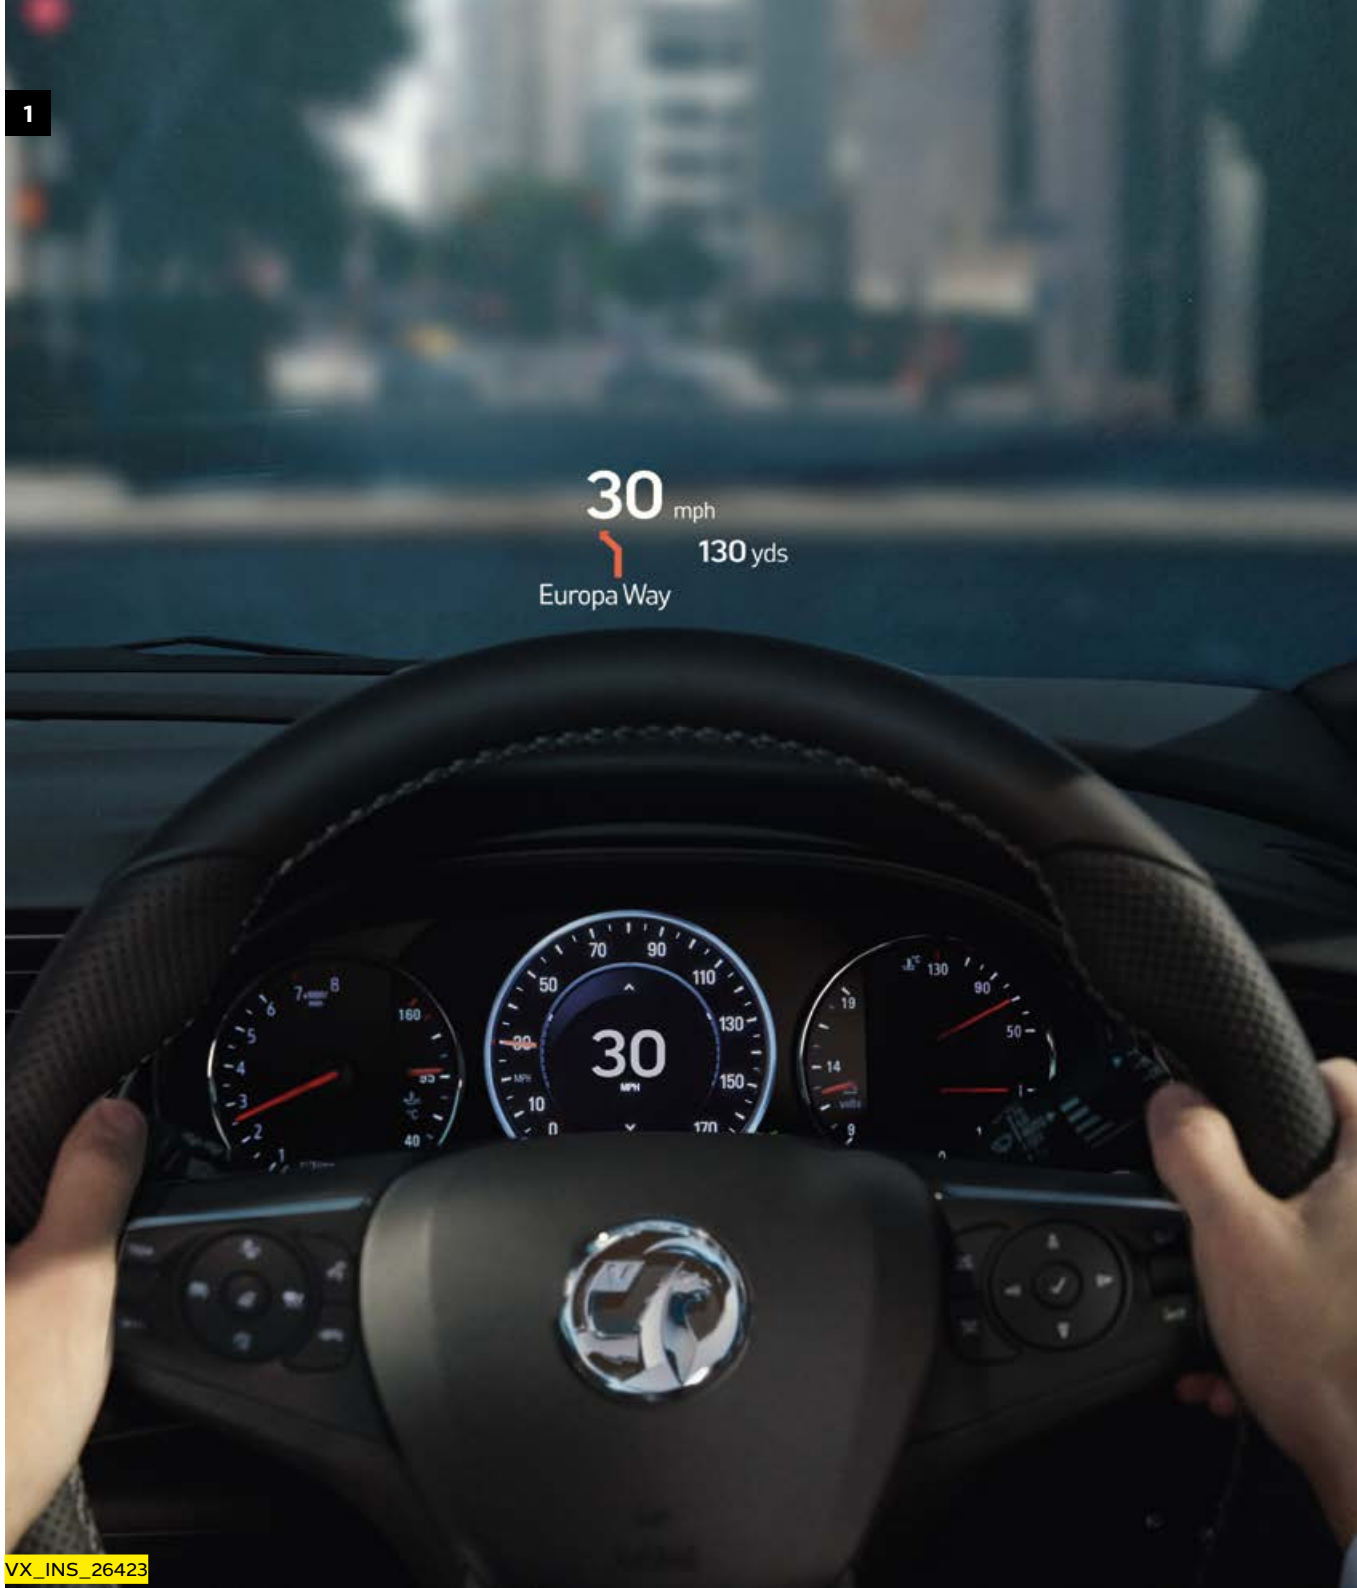

DRIVER ASSISTANCE

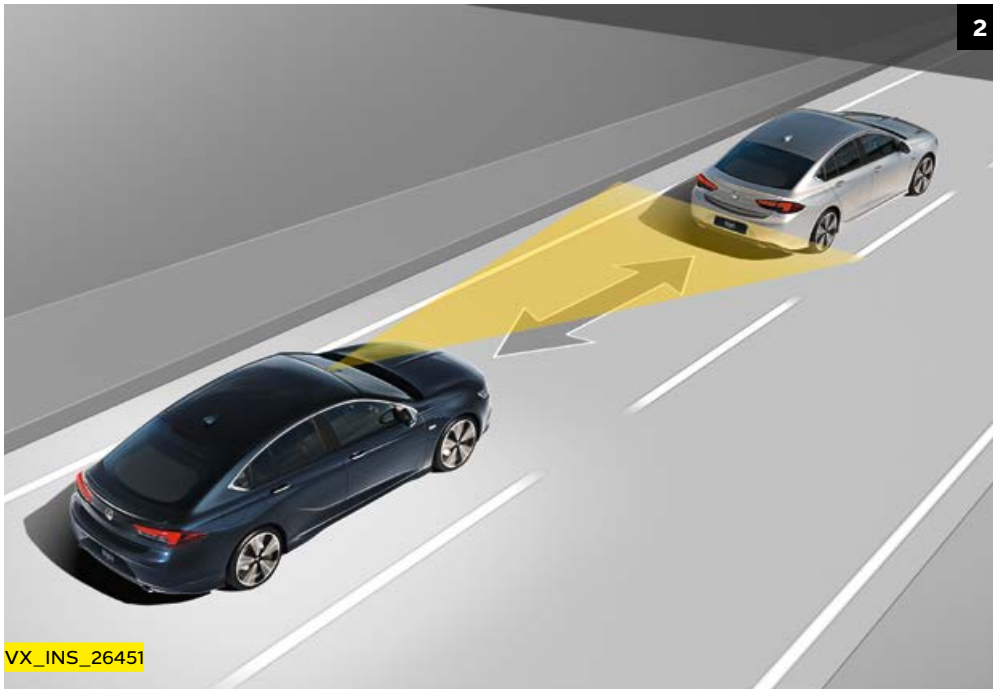

THIS IS YOUR CO-PILOT.

Insignia's got your back. And your front. Oh yes, and your sides too.

It looks out for you using the new generation of radar-based driver assistance systems, supported by front-facing camera technology to constantly scan the road ahead and around you.

For more detail on the Insignia's driver assistance systems, please refer to the Insignia Price and Specification Guide, available to download from vauxhall.co.uk/insignia

VX_INS_26451

IT'S LOOKING OUT FOR YOU.

1. It helps keep your eyes ahead.

Head-up display* projects important info (like your speed and other alerts) onto the windscreen in your line of sight, so you can keep your eyes front with less distraction.

*Standard on GSi Nav, optional on all other Insignia Nav models except Design.

** Optional as part of Driving Assistance Pack Two.

†Optional as part of Driving Assistance Pack Three and Four.

2. It keeps a watchful distance.

In heavy traffic, automatic cruise control** helps avoid bumper-to-tail collisions by automatically braking and accelerating to keep a safe distance.

3. It gives you eyes in the back of your head.

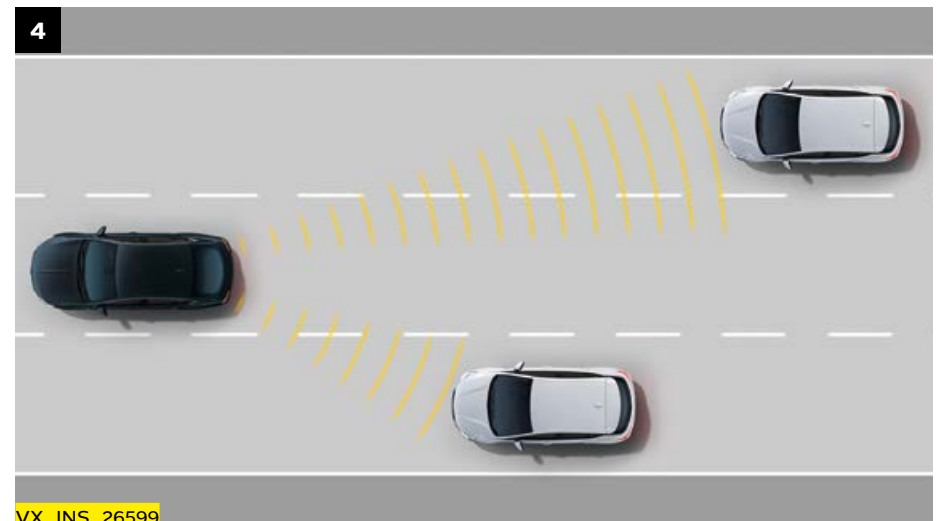

When you reverse out of a parking space or your driveway, rear cross traffic alert warns you of vehicles approaching across your rear†.

VX_INS_26597

4. It alerts you to vehicles in your blind spot.

If a vehicle moves into your blind spot, you get a visual alert, and if you've signalled to change lanes, warning icons flash and an alarm sounds too†.

VX_INS_26599

INTERIOR

INSIDE, YOU'LL FIND MORE THAN JUST A CAR.

A place we feel secure, relaxed and comfortable.
That's home.

And yet we can be at home anywhere.
So long as it feels right.

Step into Insignia's interior and you'll find
generous room to work, relax and travel
in comfort. Not to mention plenty of handy
storage and clever cubby holes too.

So settle in, feel the comfort and enjoy the
sense of space that makes Insignia a place
to look forward to.

Please note: Insignia Sports Tourer model illustrated features panoramic glass sunroof,
optional at extra cost.

INTERIOR SPACE

IT MAKES ROOM FOR MORE.

Funny thing about space. There's never enough of it.

Especially when you're packing for a trip away. And by that we mean anything from a shopping trip to a major road trip.

Which is why we designed the Insignia interior to be as super roomy and flexible as possible.

Look inside and see how comfortably it welcomes people and loads of all shapes and sizes, with plenty of handy, well-thought-out places to keep things nice and tidy.

Because it's not just space, it's room to live.

INTERIOR COMFORT

IT'S THE CAR THAT LOVES YOUR BACK.

That feeling when you sit in a comfy chair that just hugs you. A seat you just don't feel like getting out of. Ever. Or anytime soon.

That's the ergonomic seat we designed for Insignia.

It's approved by the AGR*, an independent committee of back health experts and medical professionals.

Which means it looks after you, by looking after your back.

*Known as the Aktion Gesunder Rücken, which translates as the Campaign for Healthier Backs. Driver's AGR seat is standard on SRI, SRI Nav, SRI VX-Line and GSi Nav models only, optional at extra cost on all other models.

VX_INS_26426

VX_INS_27961

Sitting comfortably? You will be.

- A.** Head restraint is adjustable four ways to give you perfect head support.
- B.** Tailored lumbar support is electronically adjustable for perfect back comfort.
- C.** Extendable thigh support provides perfect comfort for your legs.
- D.** 18 adjustable seating controls give you plenty of settings for the lumbar area and seat position.

Turn perfect comfort into pure luxury.

Choose the Power driver's seat option, and your seat will also include these luxury extras:

- E.** Shoulder bolsters adjust to cradle your body shape.
- F.** Active ventilation for driver and front passenger's back rest and seat cushion.
- G.** Electro-pneumatic massage for the driver's seat, using a three-air cushion system.
- H.** Driver's seat memory can remember six posture settings for two different people.

INSIGNIA SPORTS TOURER

MADE TO MAKE YOUR LIFE EASY.

With its sleek silhouette, the Insignia Sports Tourer introduces spacious versatility and greater storage with smart technology that helps you every day.

Plenty of room inside

Capacity and flexibility make Sports Tourer a true multi-tasker. The luggage area gives you 560 litres of space that quickly expands to a whopping 1,665 litres, making it easy to fit in loads of all kinds.

We'll get that for you

The optional sensor-operated powered tailgate* gives you hands-free access when you're carrying and loading luggage and comes complete with a keyless entry system.

*Not available on Design models.

VX_INS_26377

VX_INS_26904

INSIGNIA COUNTRY TOURER NAV

READY FOR YOUR NEXT ADVENTURE.

It's great to have a friend who inspires you to try new things and go just that little bit further.

That's the Insignia Country Tourer Nav.

A front-wheel or four-wheel drive tourer showing off rugged looks, reliable performance and premium comfort all round - it's your perfect travelling companion.

Equipped with four-wheel drive, torque vectoring and greater ground clearance, it's built for adventure, with an improved FlexRide chassis that adapts to changing road conditions and your driving style.

Now, where are we off to?

VX_INS_26905

INSIGNIA GSi NAV

UNLEASH YOUR COMPETITIVE STREAK.

Introducing the new Insignia GSi Nav Grand Sport and Sports Tourer. Developed in part at the Nürburgring, you get seriously competitive performance with absolutely no compromise.

260PS on tap gives the petrol GSi an enviable power-to-weight ratio that takes you from zero to 62mph in 7.5 seconds, with equally impressive stats from the 210PS BiTurbo diesel. Four-pot Brembo brakes mean superb stopping power too.

Sophisticated four-wheel drive with torque vectoring instantly adapts to the road conditions, while an exclusive GSi body kit, 20-inch alloys, Michelin Pilot Sport 4S tyres and plenty of chrome detailing means you'll also look the business.

So get ready to get ahead. Imagine yourself settling in and taking to the road like a hero. What better way to release your competitive side?

VX_GSI_27846

Settle in

Premium ergonomic leather sports front seat are heated and feature active ventilation and a massage function.

VX_INS_28056

CONNECTIVITY

EXCELLENT
COMMUNICATION SKILLS
AS STANDARD.

“Great to hear from you.” Feels good to hear those words, doesn’t it?

Because life is built on communication – the tools to keep in touch and make more out of life.

It’s why we made Insignia more than just for driving.

It’s a car to keep you in touch, entertain and keep you safe. Equipped with so many useful technologies, it’s perhaps best to just read on.

IT COULD JUST BE YOUR IDEAL TRAVEL COMPANION.

No matter how long your journey, isn't it great to have company along the way?

Like a loyal friend, OnStar¹ is there for you, 24/7, 365 days a year.

At the push of a button, it puts you in direct touch with an assistant to help you out when you're on the go. Best of all, it's free of charge for the first 12 months with Insignia.

It also gives you a 4G Wi-Fi Hotspot² to connect up to seven devices, complete with a free data trial period.

Now isn't this the kind of friend you'd like on your next road trip?

¹ OnStar services require activation and an account with OnStar Europe Ltd, a GM company. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check vauxhall.co.uk/onstar for details of availability, coverage and charges. Terms and conditions apply. Vauxhall is not responsible for the provision of OnStar or Wi-Fi services. ² Wi-Fi Hotspot services require an account with OnStar Europe Ltd. and nominated network operator. Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability. ³ OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

VX_ONS_26483

A GUARDIAN ANGEL AT YOUR FINGERTIPS

OnStar's your personal guardian angel. Wherever you are¹, whatever the emergency, your OnStar team takes care of you – even if you can't call for help yourself.

- **Automatic Crash Response^{1,3:}**

in case of a crash and an airbag deploys, our advisors automatically connect to your car. If needed, they immediately brief the emergency services with key car information and can send them your exact location.

- **24-Hour Emergency Call Service^{1:}**

you or a passenger are not feeling well? Push the red SOS button and our advisors make sure to call for help right away.

- **Roadside Assistance^{1,4:}**

if you have a flat tyre or a warning light in the dashboard goes on, just contact our advisors and they will send Roadside Assistance to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone has run out of battery.

- **Stolen Vehicle Assistance^{1:}**

in case your car gets stolen, report it to the police and get a crime reference number. Once the car stops and is turned off, OnStar blocks the ignition so the car can't be restarted again and provides the police with the exact vehicle location to help retrieve your car safely.

IT'S GOOD TO BE WELL CONNECTED

We pretty much take mobile connectivity for granted nowadays. Which is why Insignia's OnStar system comes equipped with a fast and stable 4G Wi-Fi Hotspot^{1,2} to connect up to 7 devices, as well as a smartphone app to give you greater control and connectivity for your car.

- **Wi-Fi Hotspot^{1,2:}**

a fast and stable Internet connection enables you and your passengers to work, surf or just stream movies on up to 7 devices – thanks to the powerful OnStar roof antenna.

- **Remote Control^{1,5:}**

if you forgot to lock your car, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the My Vauxhall Smartphone App.

My Vauxhall Smartphone App.

- **Car Locator^{1,5:}**

forgot where you've parked? Pinpoint your car's location on the app. If you are close and still do not see it, just blink the headlights or honk the horn to see where you've parked

YOU'RE LOOKED AFTER

With OnStar you have online assistance at your fingertips, available 24/7.

- **Hotel Booking^{1,6:}**

plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.

- **Destination Download^{1,7:}**

no more address typing! Our advisors assist you in finding an alternative route, a restaurant or a petrol station. They will remotely download the address onto your in-built navigation system, too.

- **Parking Service^{1,8:}**

never search for a car park space again! Using Parkopedia.com, OnStar can find the nearest car park to your destination. That way, before you even get there, you'll already know the availability and parking fee. With destination download⁶, OnStar can send the information direct to your sat nav, making it even easier.

How's that for personal service? All without leaving your Insignia.

⁴ OnStar will direct a professional breakdown recovery team to your location. If your car is within the Vauxhall New Vehicle Roadside Assistance coverage period, OnStar will connect with the Vauxhall roadside assistance service, who will send help free of charge, subject to the Vauxhall roadside assistance terms and conditions. If your vehicle is outside the coverage of the Vauxhall New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided. ⁵ Some elements of Smartphone App may not be available for all cars/trim levels. Check vauxhall.co.uk/onstar or service limitations and charges. ⁶ An OnStar advisor can help you to book a hotel room using Booking.com, subject to Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you to make a booking and is not responsible for the services provided by Booking.com or the applicable hotel. Email address and credit card required. ⁷ Some elements of Smartphone App and Destination Download may not be available for all cars/trim levels. An embedded Vauxhall navigation unit and map data are requirements for the Destination Download service. Check vauxhall.co.uk/onstar for service limitations and charges. ⁸ Only available for car parks which are listed in Parkopedia. Availability applies only to the moment of contact with OnStar.

HOW TO GET ONSTAR

OnStar is standard on all Insignia models.

1. We will send you an e-mail so you can activate your account – then just complete your registration and set your preferences.
2. Just activate OnStar when you take delivery of your new Vauxhall Insignia.
3. OnStar is ready to go!

After the 12-month free trial period¹, you can decide to order a continuation of the OnStar services. This will be subject to a fee. You can purchase Wi-Fi Hotspot data packages separately from the nominated network provider by following the instructions on vauxhall.co.uk/onstar. Charges apply after the free trial period.

To ensure your privacy, you can turn OnStar off and on anytime*. Find out more at vauxhall.co.uk/onstar

*OnStar can only override the Privacy Button in an emergency or if your car is reported stolen.
¹Free trial periods start with first registration or delivery from the Vauxhall retailer, whatever comes first, independent of customer activation.

VX_CRO_26708

GET MORE FROM YOUR CAR WITH MY VAUXHALL

My Vauxhall is your one-stop shop for everything to do with your Insignia. Manage your OnStar account. Organise your car's next service. Get rewards and exclusive savings for you.

- **Manage your Vauxhall** – take care of your Vauxhall online and book a service
- **Access your OnStar services** – get diagnostics reports, manage your subscription and more
- **Exclusive offers** – stay up to date on special offers, the latest news and current events
- **Retailer locator** – find your nearest Vauxhall retailer

VX_MYVX_25635

HOW TO GET MY VAUXHALL

If you already use OnStar, you can access all the My Vauxhall services. Otherwise, simply register for My Vauxhall this way:

1. When you order your Insignia, your retailer will help you pre-register for My Vauxhall.
2. We'll send you an e-mail invitation to activate your My Vauxhall account and complete your registration.
3. My Vauxhall is ready to go – use it through any web browser, or the My Vauxhall app on your mobile device, available to download from the Google Play or Apple App Store.

INFOTAINMENT

THIS IS YOUR ENTERTAINER.

“Oh, turn it up, I love this song!”

Whether it's your new favourite sounds or your all-time classics, car journeys go so much better with top-notch entertainment.

What's more, you can be loads more productive and relaxed with seamless, hands-free connectivity at your fingertips.

That's why you'll find an IntelliLink system as standard in every Insignia. Featuring a colour touchscreen and full smartphone integration†, it does smart entertainment, hands-free and voice operation using Apple CarPlay™ and Google Android Auto™.

androidauto

*Optional on all models. Only available with certain mobile phones.

**Standard on Insignia Elite Nav 4X4, GSi Nav and Country Tourer 2.0 (210PS) BiTurbo D 4X4 models, optional on all other Nav models except Design.

†Compatibility and certain functions may be different depending on the type of device and operating system you are using with the IntelliLink systems.

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc., also registered in the U.S. and other countries.

VX_INS_26460

Stay in charge

Keep your devices powered up and ready with a wireless charging slot*.

VX_INS_26461

It's always playtime

Stream audio to the 7-speaker Bose® sound system** with subwoofer and separate amplifier, using Bluetooth® or the built-in USB port.

NAVIGATION

IT'S THE SMART WAY TO GO.

That feeling when you know exactly where you're going. The Navi 900 IntelliLink system gives you a greater sense of control.

It combines all the features of R4.0 IntelliLink with a larger 8-inch touchscreen, an ultra-fast processor, dynamic mapping and voice recognition for smarter hands-free control.

Navi 900 IntelliLink

- Projects your smartphone* to an 8-inch colour touchscreen using Apple CarPlay™ or Google Android Auto™
- Powered by an ultra-fast processor for dynamic navigation with 2.5D or 3D mapping, including detailed lane guidance for motorways and major roads
- As well as quick route planning, the sat nav gives you different ways to set the destination, making it easy and flexible to use

*Compatibility and certain functions may be different depending on the type of device and operating system you're using with the IntelliLink systems. Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc., also registered in the U.S. and other countries.

VX_INS_26915

VX_INS_26913

Travel your way

It's great to know just where you're going – then go your own way. Always updated route information makes it easy to plan and edit your journey.

Don't miss the interesting stuff

Make the most of every drive with point of interest options to give you on-the-go knowledge so you can blend in with the locals.

DRIVING DYNAMICS

**YOU DON'T DRIVE IT,
YOU FEEL IT.**

When our engineers designed the Insignia, they set the bar high.

It's made to exceed expectations in every sense, with a range of engines and a chassis for a whisper-quiet, powerful drive with sensationally smooth performance.

Get into an Insignia and feel it for yourself.

CHASSIS

THE POWER TO ADAPT.

Humans are adaptable. That's our strength. If we're walking a hill we adapt our stance and use different muscles – and if it's rough terrain, we put on tough hiking boots.

We took the same approach with the Insignia's chassis.

Fluidly responsive and adaptable to road terrain, it features the latest generation of automatic transmissions, intelligent control and a sophisticated four-wheel drive system.

VX_INS_26455

GRIP HARDER WITH NEW TORQUE VECTORING.

Imagine, on almost whatever road you're on, you can be guaranteed a great drive.

Standard on Insignia GSi and Country Tourer 4X4 models, this smart four-wheel drive system uses the latest torque vectoring technology which makes sure torque gets directed to the wheels with the greatest grip, to improve handling and traction in slippery conditions.

TAKE CONTROL WITH AUTOMATIC TRANSMISSION.

Standard on most Insignia 4X4 models, the eight-speed transmission* features a choice of driver modes for different road conditions, to give you the most effective gear shifting when you're climbing or descending.

And, if you feel like taking manual control, the ActiveSelect® mode lets you use the gear lever just like a manual shift to change up or down the gears.

*The 8-speed automatic transmission is also available on 2.0 (170PS) Turbo D engines.

VX_INS_26462

VX_INS_26543

DRIVE SMARTER WITH FLEXRIDE.

Freedom and control. Nice to have both isn't it?

So try FlexRide. This intelligent chassis control system automatically adapts to changing road conditions and your driving style as you drive.

It gives you a choice of three driving modes – Normal, Sport or Tour.

The new GSi features a mechatronic FlexRide chassis that sits on shorter springs and specially developed shock absorbers with the same dynamic driver settings, plus a unique GSi 'Competition' mode.

ENGINES

THIS IS NO COMPROMISE.

When it comes to a choice between power or efficiency, who doesn't want both?

With Insignia's engines, you have it all. A powerful choice of engines that are meaner, leaner and cleaner.

Muscular engines

It gets a choice of three powerful petrol engines, the 1.5 (140PS) Turbo, the 1.5 (165PS) Turbo and the 2.0 (260PS) Turbo 4x4 with four efficient new diesel engines, including the 1.6 (110PS) Turbo D, 1.6 (136PS) Turbo D, the 2.0 (170PS) Turbo D model and the powerful new 2.0 (210PS) BiTurbo D.

Cleaner emissions

2.0-litre Insignia diesel engines use the leading BlueInjection technology* that runs on the additive AdBlue® to help reduce exhaust emissions.

*For more information on BlueInjection technology, please visit vauxhall.co.uk/blueinjection

THIS IS YOUR CONFIDENCE.

Capable, connected and calm. That's the feeling when you drive Insignia.

In every way, it shows exquisite style, state-of-the-art innovation and premium class luxury that makes it more than just a car – whichever model you choose.

VX_INS_26484

VX_INS_26395

THE RANGE

INSIGNIA, TAKEN TO A WHOLE NEW LEVEL.

Choices, choices. So nice to have, so good to make.

From the smart Insignia Design to the rugged Country Tourer, the Insignia range gives you a choice of seven models for a world of adventures.

Company car driver or fleet decision maker?

Then you can be among the first to experience the Insignia. Simply pre-book our 3 Day Test Drive and be confident you're making the right business choice.

3 / FREE 3 DAY TEST DRIVE

VX_INS_26513

DESIGN | DESIGN NAV

DESIGN sets the bar high with premium features that are far from standard.

- R4.0 IntelliLink audio system with DAB radio and Bluetooth®
- 7-inch colour touchscreen with smartphone projection
- OnStar with 4G Wi-Fi Hotspot*
- Air conditioning
- Automatic lighting control and keyless start
- Leather-covered steering wheel with audio, phone and cruise controls
- Front camera safety system
- Security alarm system (Thatcham approved, T1)

NAV models additionally feature:

- Navi 900 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen

VX_INS_28120

SRi | SRi NAV

SRi gives you all the premium features of Design with sports styling and the extra comfort of an AGR driver's seat.

- 17-inch five twin-spoke alloy wheels
- Front fog lights
- Dark-tinted rear windows
- Rear spoiler (Grand Sport models)
- Rain-sensitive windscreen wipers
- Front and rear parking sensors
- Sports front seats, driver's AGR
- Sports pedals
- Dual-zone electronic climate control

NAV models additionally feature:

- Navi 900 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen

VX_INS_28214

SRi VX-LINE NAV

SRi VX-LINE NAV brings you even sportier features above SRi, notably the VXR Styling Pack and Interior Pack.

- 18-inch five-spoke alloy wheels (excluding 1.6 diesel ecoTEC models)
- VXR Exterior Styling Pack
 - Sports-style front and rear bumpers
 - Side sills
 - Visible exhaust tailpipe (excluding Grand Sport 1.5 (165PS) Turbo models)
- VXR Interior Styling Pack
 - Heated, flat-bottom, leather-covered VX-Line steering wheel
 - Dark fabric headlining
- 4.2-inch colour information display
- Navi 900 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen

*Terms and conditions apply see pages 30-33.

VX_INS_26515

TECH LINE NAV

TECH LINE NAV features more smart technology, style and comfort over the Design model.

- 17-inch five twin-spoke alloy wheels
- Rain-sensitive windscreen wipers
- Front and rear parking sensors
- Dual-zone electronic climate control
- 4.2-inch colour information display
- Driver's seat tilt and lumbar adjustment
- Front passenger's seat height adjustment
- Navi 900 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen

VX_INS_26502

ELITE NAV

ELITE NAV takes style and innovation to the top, giving you premium features you deserve.

- 18-inch bi-colour alloy wheels (excluding 1.6 diesel ecoTEC and 4X4 models)
- 20-inch five twin-spoke alloy wheels (4X4 models)
- IntelliLux LED® Matrix headlights
- Front fog lights
- Dark-tinted rear windows
- Torque vectoring system (4X4 models)
- Leather seat facings
- Heated front seats
- Heated outer rear seats (Grand Sport 4X4 and all Sports Tourer models)
- 8-inch colour information display
- Bose® premium sound system (4X4 models)

VX_INS_27952

GSi NAV

GSi NAV is the ultimate Insignia with stunning looks, sophisticated hi-tech and outright performance.

- 20-inch five twin-spoke alloy wheels
- Four-wheel drive system
- GSi front and rear bumpers
- GSi side sills
- GSi rear spoiler (Grand Sport models)
- Visible exhaust tailpipes
- IntelliLux LED® matrix headlights
- FlexRide with Competition mode
- Sports chassis
- Dark-tinted rear windows
- Torque vectoring system
- Perforated leather seat facings
- Ergonomic AGR GSi sports front seats
- Heated front and outer rear seats
- Heated, flat-bottom, leather-covered VX-Line steering wheel
- Head-up display
- 8-inch colour information display
- Dark fabric headlining
- Sports pedals
- Keyless entry and start
- Bose® premium sound system

VX_INS_27469

COUNTRY TOURER NAV

COUNTRY TOURER NAV comes ready for action, with exclusive sports stylings, luxury comforts and enhanced FlexRide chassis.

- 18-inch bi-colour five twin-spoke alloy wheels
- Anthracite wheel arch and side sill extensions
- Front and rear bumpers incorporating silver-effect skid plates
- Silver-effect roof rails
- Front and rear parking sensors
- Torque vectoring system (4x4 models)
- FlexRide
- Dual-zone electronic climate control
- Navi 900 IntelliLink system
 - Fully integrated European sat nav system
 - 8-inch colour touchscreen
- Seven speakers (five front, two rear)
- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Six airbags
- Keyless start
- Security alarm system (Thatcham approved, T1)

VX_INS_28045

COLOURS

YOUR FINISHING TOUCH.

Colour says so much about you. It sets a tone, defines a mood and can brighten a day.

So we created a range of solid, brilliant, metallic, as well as special two-coat pearlescent and premium finishes to achieve your ideal look.

And, for the purists, there's even a white tri-coat premium finish

TRIMS

LOOKS YOU CAN FEEL.

Now you've chosen a colour, how about the furnishings?

Because style, comfort and luxury is a big part of Insignia's premium look and feel.

Whichever upholstery you choose, each trim is made to give your Insignia effortless style and comfort, perfectly matched to its interior design.

Standard trims

Milano black cloth seat trim – *Design models*

Monita black cloth/Morrocana seat trim – *SRI, SRI VX-Line Nav models*

Oxford cloth/Morrocana seat trim – *Tech Line Nav and Country Tourer models*

Siena black leather – *Elite Nav models*

Standard trims continued

Siena black perforated leather – *GSi*.

Optional trims

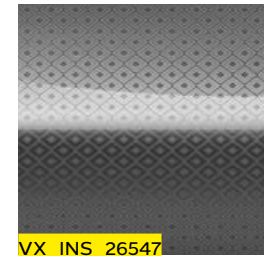

Siena black perforated leather – *SRI, SRi VX-Line Nav, Tech Line Nav, Elite Nav and Country Tourer models*

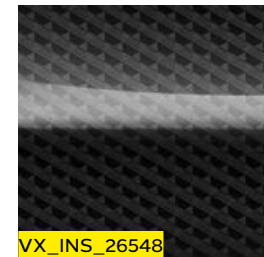

Siena shale perforated leather – *Elite Nav models*

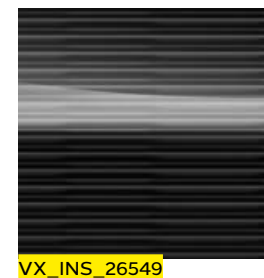

Inserts

Metallic silver Raute trim inserts – *Design models*

Dark metallic Hexagon trim inserts – *SRI, SRi VX-Line Nav, GSi Nav models.*

Dark silver Agate trim inserts – *Tech Line Nav, Elite Nav and Country Tourer models*

WHEELS

THIS IS HOW WE ROLL.

When you wear a beautiful dress or suit, you need the right shoes to make the outfit.

So it's only fitting that we designed a full range of new alloy styles and custom wheel sizes to suit the sleek lines of your Insignia and complete its look.

And who doesn't love choosing a new pair of shoes?

VX_INS_26718

VXR STYLING PACKS

POWER UP YOUR STYLE.

Insignia is a powerful car built to perform in every way.

Insignia's VXR Styling Packs are a set of custom options to heighten Insignia's sports styling, inside and out.

The VXR Interior Styling Pack includes a heated leather-covered, perforated steering wheel, with alloy-effect sports pedals to complete the racing look.

For the exterior, the VXR Styling Pack includes sports-style front and rear bumpers, side sills, rear spoiler (Grand Sport models only) and a visible exhaust tailpipe to complete its edgy look.

Model illustrated also features 20-inch five twin-spoke alloy wheels and Lava Red brilliant paint, optional at extra cost.

VX_INS_26528

VX_INS_26956

VX_INS_26472

VX_INS_28213

PERSONALISATION

MAKE INSIGNIA EXCLUSIVELY YOURS.

Imagine being able to personalise the exact finish of your new Insignia.

Choose an Insignia Exclusive and you can do just that. Start with the SRi VX-Line Nav or ELITE Nav as an Exclusive Chrome or Exclusive Black model. You can then specify unique interior and exterior features and design detailing. Finally there's a choice of 15 colours that are unique to these two Exclusive models. Or, if you're feeling particularly artistic, you can even send us a swatch of your favourite colour and we'll match it. The complete picture is covered in the Insignia Exclusive Price and Specification Guide, available to download from vauxhall.co.uk/insignia.

Or discover the experience for yourself at vauxhall.co.uk/vauxhall-exclusive where you can configure your Insignia Exclusive.

Exclusive

SUMMARY

IT'S A NEW WORLD.

A place where you feel relaxed, more secure and totally in control, yet surprised at what you can do.

A place where you can

- Travel more safely with driver assistance systems
- Stay safe and connected with OnStar personal connectivity and service assistant* with a 4G Wi-Fi Hotspot*
- See more of the road ahead with IntelliLux LED® Matrix headlights

Innovations that make Insignia far more than a new car.

They make it a world to be discovered.

Now it's time to experience it for yourself.

Come explore the world of Insignia. Book a test drive at your local Vauxhall retailer today.

OnStar privacy details are available at vauxhall.co.uk/onstar

Some feature descriptions in this brochure may refer to, and some illustrations may show, optional equipment not included in the standard delivery. The information contained in this brochure was accurate at the time of publication. We reserve the right to make changes in design and equipment. The colours printed in the brochure only approximate actual colours. Illustrated optional equipment is available at extra charge. Availability, technical features and equipment provided on our vehicles can vary by model. For precise information on the equipment provided on our vehicles, please contact your local Vauxhall Retailer. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources.
