ADAM ROCKS & ROCKS AIR.

STYLE ON A WHOLE NEW LEVEL.

Taking the uniqueness of ADAM to a new dimension, ADAM ROCKS is set to start a trend in the city. With a higher ride and a rugged urban twist on your style, and a full length canvas roof on the ROCKS AIR, there are now even more ways to express yourself.

Ask your retailer for a copy of the separate ADAM ROCKS brochure or simply visit www.vauxhall.co.uk

VX_ADAM_23878

DRIVE BOLD.

Whatever your taste, and whatever size your pocket, there's an ADAM engine for you.

START ME UP. A great place to begin is the economical 1.2i 70PS engine. Or move up to a sportier option with either 87PS or 100PS from a punchy 1.4i.

WANT MORE? If you want even more oomph, the new three-cylinder, super-efficient 1.0i Turbo should tick all your boxes. At 115PS it has all the power and character of a much bigger engine, yet it's small on fuel consumption with a combined figure up to 56.5mpg, which is pretty thrifty.

PERFORMANCE/FUEL ECONOMY/CO₂/VEHICLE EXCISE DUTY

Engines	Performance*	
	Max. speed (mph)	Acc. 0-62mph (secs)
1.2i 70PS	103	14.9
1.4i 87PS	109	12.5
1.4i 87PS ecoFLEX Easytronic	111	13.9
1.4i 100PS	115	11.5
1.0i 115PS Turbo Start/Stop ecoFLEX	121	9.9
1.4i 150PS Turbo Start/Stop	130	8.5

Please note: Fitting larger than standard alloy wheels could lead to an increase in fuel consumption and emissions. For further details, please refer to the ADAM Price and Specification Guide, available to download from www.vauxhalladam.co.uk

WANT IT ALL? Exclusive to the ADAM S is the new 1.4 Turbo engine, the most powerful ADAM engine at 150PS, delivering an impressive 220Nm of torque with a six-speed gearbox. An engine with real attitude.

SAVE YOUR ENERGY. Some engines come with Start/Stop technology, too. This clever system saves fuel by switching the engine off when you stop in traffic, then starting it back up soon as you put your foot down. All totally smooth and automatic – while saving you money.

TAKE IT EASY. If you fancy a more leisurely life, choose ADAM's Easytronic transmission. It's a five-speed manual gearbox with a fully automatic mode. In manual, you simply push the gear lever forward or back to shift gears up or down – there's no clutch to bother with. And, by nudging the lever to the side you can switch to fully automatic mode and let Easytronic do all the work. Easy life. If you're a creature of the city you'll also love City Mode, a smart feature that lightens the steering to make parking a doddle. And, if a tricky situation arises, the ever-present ESP is there to reduce the possibility of losing control. And you're cool.

ICING ON THE CAKE. And, as if all this stress reduction wasn't enough, you'll also find yourself free of road tax for the first year too*. So you can just enjoy your new ADAM. Cheers!

*Apart from the ADAM S 1.4 Turbo.

Once you've decided on your body colour, you can create a cool two-tone look with one of four optional Roof Packs (includes matching roof and door mirrors) – in I'll be Black*, White my Fire**, Let it Blue† or Forget about Grey†, complete with dark-tinted rear glass. THE ONLY WAY IS UP.

The hill start assist feature automatically stops your ADAM from rolling back as you set off on a steep hill or slope. So you don't have to worry about pulling away safely. This clever little safety feature is standard on all ADAM models.

EYE CANDY.

The optional Sight and Light Pack covers three clever features that take the strain off your eyes and a load off your mind: The electro-chromatic rear-view mirror, automatic lighting control and the rain sensor. The electro-chromatic mirror cuts down the glare from cars behind you at night by automatically adjusting the amount of light it reflects. The automatic lighting control turns your headlights on automatically in low light situations and off when light levels improve and the rain sensor detects rain and turns on your windscreen wipers automatically – so you don't have to!

Put frost back in its box with the ADAM Winter Pack. It heats the front seats or steering wheel or door mirrors – or all three. You control the whole system with simple switches on the dash.

LOCAL WARMING.

SAFE & SOUND.

You're in safe hands with ADAM. Every version comes with ABS, Electronic Stability Programme-plus (ESP-plus) and six airbags as standard. And there's the option of an alarm system should your car attract the wrong kind of attention.

SAFETY FIRST.

If you ever need to park a little faster in those tight spaces, then the optional parking distance sensors can help. Just engage reverse and the bleep will automatically tell you when you get too close to something behind you.

VX_ADAM_3901

TAKE IT DOWN (OR UP) A NOTCH.

Like to take life easy? Choose ADAM's Easytronic transmission. It's a five-speed manual gearbox with a fully automatic mode. Just tap the gear lever up or down to shift gears, no need for a clutch. Or switch to fully automatic mode and let Easytronic do it all. Easy, easy, easy!

STAY IN CONTROL.

Stay legal and stay within the speed limit with cruise control. Standard on all ADAMs it's ideal when negotiating those inevitable roadwork speed restrictions whether you're on the motorway or the sleepy country lanes.

VX_ADAM_23880

PARK & GO.

ADAM offers a whole stack of high tech features and options that make driving simpler, safer and more comfortable - plus they help free up your time. Like parking sensors and hill start assist. One helps you to park up in a tight space, the other helps you to pull away safely. No worries all round then.

INNER SPACE.

When it comes to the question of storage, ADAM has all the right answers. With clever spaces, pockets and drawers to stash anything you want, whether you're driving or just along for the ride, all designed to keep the inside of your car tidy and looking the way you intended.

VX_ADAM_23871

VX_ADAM_19193

YOUR PERSONAL ON BOARD ASSISTANT.

Many car brands talk about innovation as soon as they improve their cup holders, but this one-of-a-kind system is revolutionary: 24/7, 365 days a year, Vauxhall OnStar puts you in touch with an individual, not a machine.

Best of all, OnStar services are free of charge on ADAM SLAM and ADAM S models for the first 12 months!

WHAT ONSTAR CAN DO FOR YOU¹.

SOS

AUTOMATIC CRASH RESPONSE.

We hope, this won't ever happen to you, but in the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor. The expert will be immediately connected to your car to assess the situation and, if needed, notify the emergency services, providing them with your exact GPS location.

WI-FI HOTSPOT².

Cyberspace now comes on wheels. Thanks to the extra powerful OnStar aerial, you have a stable and quick Internet connection. Your Vauxhall ADAM creates a mobile Wi-Fi Hotspot for up to seven devices.

SMARTPHONE APP.

Referring to Murphy's Law your car keys will be in the locked car at least once in a lifetime. No problem, just start the OnStar app and remotely lock/unlock your door with your smartphone. Or use the remote control to sound the horn and flash the lights. The app also checks the oil life by the touch of a button.

With Vauxhall OnStar you have access to a host of innovations, from Vehicle Diagnostics and Smartphone Function to a fully integrated Wi-Fi Hotspot. In the event of an accident, Vauxhall OnStar even automatically calls for help¹.

What's more, this unique service doesn't stop at national borders. You can access it virtually anywhere in Europe².

STOLEN VEHICLE ASSISTANCE.

"Where is my...? NO WAY!?!?!!" A stolen car is a nightmare – but from now on you can call our Vauxhall OnStar advisors to track and recover it together with the police.

VEHICLE DIAGNOSTICS.

Hey ADAM, how are you doing today? You can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags. If you prefer a newsletter, Vauxhall OnStar will automatically send you a monthly e-mail with this key data.

¹The OnStar Services rely on wireless communication networks and satellite positioning systems.
²Some features may not be available in certain foreign countries.
Please check the comprehensive specifications and technical data available in the ADAM price/specification guide PDF for an overview of any restrictions at www.vauxhall.co.uk under 'Request a brochure'.
