◀ Rear roof spoiler.

▶ Travel Pack.

- First aid kit
- Warning triangle
- Spare bulb kit
- Fire extinguisher
- Hi-visibility vest

▶ Roof-mounted removable DVD player.* This 7-inch screen with wireless headphones and remote control provides the perfect rear seat passenger travel entertainment. It safely clicks into the roof-installed docking station and can be easily removed for outdoor or home operation.

*Not available on Astra Energy hatchback models.

▼ Base carrier and roof box. The Vauxhall roof rack system begins with a base carrier, comprising two T-track roof bars which support a wide range of attachments. These include a choice of high capacity roof boxes, each one lockable and easy to fit.

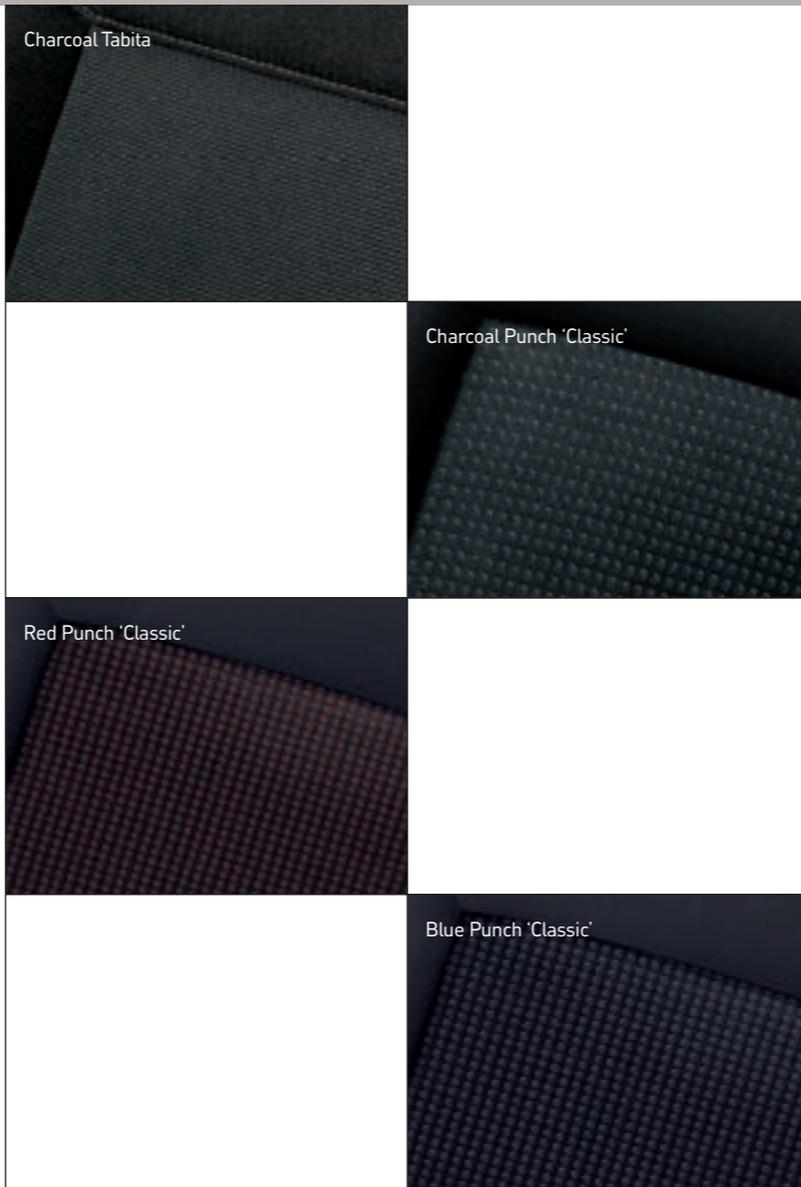

▶ Child seats. Vauxhall offers a range of child seats, ergonomically styled for comfort and safety. The Baby-safe (for babies from birth to 13kg), and Kid (15-36kg) seats are fixed with a standard lap and diagonal seatbelt, while the Duo ISOFIX (9-18kg) can also be attached using the ISOFIX child seat restraint fittings, which are standard on the outer rear seats of Meriva and Astra and the outer middle row seats of Zafira models. The rigid ISOFIX anchoring mechanism virtually eliminates the dangers of incorrect child seat installation.

Energy

Colours and trims

Energy models are available in a great choice of exterior colours, with cloth trims carefully chosen to complement whichever one you choose. Your Vauxhall retailer has a comprehensive showroom display of all our paint samples and trim swatches, so you can see the real thing before making your mind up.

Due to the limitations of the printing process the colours reproduced may vary slightly from the actual paint colour or trim material. As a result they should be used as a guide only.
