** = **Please note:** Typical examples shown above. Weights and dimensions shown are for the standard Vivaro panel van (before conversion) and will vary dependent upon the conversion. Data on other models available upon request, please consult the convertor for details. **Kerbweights** for standard vehicles include coolant, oil, 90% full fuel tank and spare wheel. They will vary according to the vehicle specification (including options and accessories) with a corresponding variation in payload. **Payload** figures do not allow for the weight of the driver, or any passengers, which should therefore be deducted from the figures shown. **Gross plated weights** (including axle weights) quoted on the vehicle plate must never be exceeded.

Please note

Typical conversion examples shown. Conversions on other model variants are available please consult the convertor. Full specification, option and colour availability details of the Vivaro range appear in the Vivaro brochure available from your Vauxhall retailer or Lo-call 0845 600 1500.

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (August 2007). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity; please consult your local retailer for the latest information. Please note that Vauxhall retailers are not the agents of Vauxhall Motors Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources. The Wheels of Business

Vivaro 2008 Edition 1

Wheelchair Accessible Vehicle

WHEELCHAIR ACCESSIBLE VEHICLE

Based on the model that was voted Best Medium Van in the *Van Fleet World* Honours 2007 and available in SWB and LWB formats, the Vivaro Wheelchair Accessible Vehicle offers optimum levels of access for able-bodied passengers and wheelchair users alike. The manually folding rear access ramp and nearside and offside sliding side-access doors make it the perfect vehicle for community transport operators. The Vivaro Wheelchair Accessible Vehicle is innately versatile, too. SWB models can seat up to six, including the driver and one wheelchair passenger, while LWB versions can carry up to seven, including the driver and two wheelchair users.
