

Agila

2010 Models Edition 1

flex in the city

Always stylish. Always flexible. Agila could be the best looking, most reliable partner you've ever had. Easy to drive, simple to park and affordable to own. And with five doors too, it's everything you need to make a busy life simple.

This brochure covers Agila Club and Design models only. Some of the models shown include options and accessories available at extra cost. And not all of the features described are available on every model. So please check in the Equipment section for further details. From time to time, we also offer alternative Agila models such as Special Editions, featured in their own separate literature or found on the Vauxhall website: www.vauxhall.co.uk

always stylish

Agila is a totally different kind of car – beautifully practical, yet modern and dynamic with a real sporty edge. So wherever you're going, you'll always arrive in style.

A close-up photograph of a car's interior, focusing on the back of a seat. The seat features a vibrant blue fabric with a subtle geometric pattern, set against a dark charcoal or black background. The lighting is soft, highlighting the texture of the fabric. In the upper left corner, a portion of a person with long blonde hair is visible, looking out of the frame.

always on the move

This is where it all happens. The light and spacious Agila interior. With vibrant seat fabrics, great sounds, clever storage ideas, flexible luggage space and room for five, there's no end to what you can get done.

respect your world

We all share a responsibility to look after our world. That's why Vauxhall has been at the forefront of green automotive initiatives for many years. We are always looking to reduce vehicle CO₂ emissions, of course, and our ecoFLEX models like the Agila 1.0i 12v have among the lowest vehicle CO₂ emissions in the UK.

But our commitment to preserving the environment goes even further. We are working on even cleaner, alternative power sources, including zero-emission fuel cell technology for example. We have dramatically reduced manufacturing emissions, and our new models use more recycled materials and more recyclable parts than ever before.

We also offer free and easily accessible, environmentally friendly, end-of-life vehicle disposal through our partners Autogreen Ltd. And currently initiatives are in place to encourage disposal of older vehicles in return for valuable savings* on newer ones.

That way, we reduce our environmental impact in every phase of every vehicle's life cycle. Because your world is our world, too.

*Terms and conditions apply. Please ask your Retailer for details.

Always putting you first

Agila proves that size doesn't matter – it's what you do with it that counts. Like maximising your interior space for people and their luggage. Making you comfortable. And dreaming up clever interior features that help you feel at home.

◀ ▶ ▾ **Flexible loadspace.** All Agila models feature a 60/40 split-folding rear seat and a luggage compartment underfloor storage area. Folding the rear seats forward creates an impressive 1050 litres of loadspace.

▶ **Rev counter.** How's this for a bit of style, on all Agila models the rev counter is mounted in a separate pod on top of the fascia directly in the driver's vision.

◀ **Air conditioning.** For chilled air on hot days, faster demisting when it's damp outside, and a more pleasant driving atmosphere throughout the year, air conditioning is a brilliant addition to any car interior. It's standard on Agila Design and optional on Club.

▼ ▲ **Quality sounds.** If you like your tunes on the move, you won't be disappointed by Agila's CD player/stereo radio with MP3 CD playback, RDS with Traffic Programme and four speakers. All models also feature steering wheel mounted audio controls as standard.

▲ **Clever storage.** Agila is packed with clever storage ideas, like a large compartment (with lid) on top of the fascia – with coin holders and space for up to three CDs. Other examples include spacious door pockets, a seat back map pocket and holders for cups, bottles and sunglasses.

◀ ▲ **Seat comfort.** Agila has a high seating position for a great view of the road ahead. And it's easy to get comfortable too. All Agila models feature six-way adjustable driver and front passenger seats (including height adjustment) and a tiltable steering column too.

Always ready for action

Great to drive. Easy to park. Agila is designed to make life simple – in the city or out of town. With five doors, economical engines, secure roadholding and intelligent safety features, it's the perfect partner for an active lifestyle.

Lively engines. Whether you go for petrol or diesel, Agila's high-tech engines are lively through the gears, big on flexibility and economy, and low on emissions. The lightweight 1.0 litre 12v petrol engine delivers a nippy 65PS, and at 86PS, the 1.2i 16v adds extra zest for acceleration and cruising, while still delivering frugal fuel consumption. Agila's 75PS 1.3CDTi 16v common rail turbo diesel provides strong mid-range punch and superior economy. In addition both 1.0i 12v and 1.3CDTi 16v engines ensure that ecoFLEX models are eligible for the lower band C Vehicle Excise Duty charges.

◀ ▼ **Manual and automatic transmissions.** An easy-shifting five-speed manual gearbox is standard on every Agila. And a smooth four-speed automatic is optional with the 1.2i 16v engine – perfect for city traffic and relaxed cruising. Both feature a convenient, high-mounted gear lever.

▼ **Airbags.** Agila safety begins with front and side airbags for the driver and front passenger. And when a child seat is carried, or if the front passenger seat is unoccupied, the passenger airbags can be deactivated with a key operated switch at the end of the fascia.

▲ **Electronic Stability Programme (ESP) with traction control.** This optional system senses when the vehicle is about to slide on a bend and applies corrective braking to the appropriate wheels, correcting the slide and helping you regain control more rapidly. The system also includes traction control helping prevent wheelspin during acceleration on slippery surfaces. However, there are times when it is useful to switch the traction control off – for example, when trying to free a vehicle stuck in icy conditions. This is achieved via the TCS button located adjacent to the steering wheel.

◀ **Seatbelt reminder.** We know you're careful about safety, but just in case, Agila comes with a front seatbelt reminder light on the central instrument cluster.

▶ **Security.** Agila features an engine deadlock immobiliser, a remote fuel filler release and an electronic touchpad tailgate handle. All models also come with remote control central deadlocking. Push the key fob button once to open the driver's door – twice to open all the doors and the tailgate.

Choose your Agila

Agila flexibility also extends to your model choice of course. There are Club and Design models, both brilliantly equipped as standard. Three efficient engines – petrol or diesel – with a choice of manual or automatic transmission. And a wide range of nine great colours with complementary cloth trims. As partners go, you may well find one as reliable as Agila. But few are so easy to choose.

CLUB**Standard features include:**

- Driver's and front passenger's front and side-impact airbags
- Anti-lock Braking System (ABS)
- Electronic engine immobiliser
- Speed-sensitive power-assisted steering
- Remote control central deadlocking
- Tilttable steering column
- CD player with MP3 format/stereo radio
- Steering wheel mounted audio controls
- Multi-function trip computer
- Pod-mounted rev counter
- Electrically operated front windows
- Electrically adjustable/heated body-colour door mirrors
- Body-colour exterior door handles
- Colour-keyed door trim insert panels
- Colour-keyed (blue) facia panel with Atlanta Blue seat trim
- Colour-keyed (orange) centre console surround with Sunset Orange seat trim
- Silver-effect interior door handles, gear knob insert and handbrake button
- Driver's and front passenger's seat height adjusters
- 60/40 split-folding rear seat back
- DualFloor luggage compartment
- Front fog lights
- 15-inch steel wheels with full-size wheel trims

Model illustrated features two-coat metallic paint, optional at extra cost.

Accessories

Vauxhall accessories are the right choice for your Agila. We've only featured a small selection of what's available here. The Vauxhall Car Accessory brochure gives further details.

Irmischer

Styling

Developed in conjunction with auto design specialists Irmischer International, Agila styling accessories perfectly complement the vehicle's lines, as well as being manufactured to the same exacting standards as the car itself. For availability details please ask your Vauxhall retailer.

Model illustrated left features front skirt extensions, cross hatch grille – black with matt aluminium-effect upper and 'Irmischer' logo, front and rear matt aluminium-effect lower skirt inserts, rear roof spoiler and 16-inch Stila alloy wheels.

Irmischer rear roof spoiler.

Typical of the quality and attention to detail that goes into every Irmischer styling product, the Agila rear roof spoiler is aerodynamically optimised and adds real visual impact.

▼ **Child seats.** Vauxhall offer a range of child seats to suit children from birth to 36kg – around 12 years. The 'Baby Safe' and the 'Kid' use the lap and diagonal seatbelts whilst the 'Duo ISOFIX' utilises the ISOFIX child restraint fittings, standard on the outer rear seats of Agila.

VAUXHALL ACCESSORY PACKS

Vauxhall accessory packs bring together a selection of essential accessories at great prices, helping you to protect your car and equipping you for roadside emergencies.

▲ **Privacy shades.** Available for the rear side and tailgate windows, privacy shades provide shade for rear seat passengers and increase security. The tailored fit still allows the rear windows to be opened.

▼ **Base carrier.** The Vauxhall roof rack system begins with a base carrier. It comprises two T-track bars which support a wide range of attachments including a bicycle carrier and a choice of high-capacity roof boxes (available separately). Each carrier is provided with locks for security.

▲ ▶ **Protection Pack.**

- Velour mats
- Mudflaps
- Cargo liner

▲ **Rear parking distance sensors.** Activated automatically as you select reverse, this clever system beeps faster the closer you get to an obstruction, changing to a continuous tone at 300mm away.

◀ **Safety Pack.**

- First aid kit
- Warning triangle
- Hi-visibility vest

Agila is available in nine brilliant colours, carefully matched to a range of complementary cloth trims. Choose a combination to match your unique personality.

Due to the limitations of the printing process, the colours reproduced may vary slightly from the actual paint colour or trim material. As a result, they should be used as a guide only. Your Vauxhall retailer has a comprehensive display of all our paint samples and trim swatches. Vehicle illustrated is a non-specific model.

Pedal release system.

Deactivation for front passenger's airbags.

Safety

Standard features • Driver's airbag • Front passenger's airbag • Front seat side-impact airbags • Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Reinforced passenger safety cell • Deformation zones front and rear • Fuel tank located ahead of rear wheels

• ISOFIX child seat restraint system for outer rear seats incorporating top tether (does not include child seat) – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation. Top tether enables the top of the child seat to be attached to the seat back, securing the child even more firmly • Child-proof locks on rear doors

• Anti-lock Braking System (ABS) • Emergency Brake Assist (EBA) – Increases brake force applied in emergency braking situations

• Front body-lock seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Driver's and front passenger's seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Height-adjustable front seatbelts

• Three inertia-reel lap and diagonal rear seatbelts • Height-adjustable front seat head restraints • Three height-adjustable rear seat head restraints • Driver's seatbelt unfastened warning light

Additional features

Deactivation for front passenger's airbags

Electronic Stability Programme-plus (ESP-plus) incorporating switchable traction control

Club Design

● ●

○ ○

Electronic Stability Programme-plus (ESP-plus)

D1. ESP-plus provides enhanced yaw compensation during understeer or oversteer. It works by monitoring the front and rear of the car and comparing their respective directions of travel with the input through the steering wheel. If the vehicle starts to slide, ESP-plus applies corrective braking to the appropriate wheel, or wheels, compensating for the slide and helping you regain control more rapidly. ESP-plus offers additional safety in the form of two-way traction control, which helps prevent the driving wheels from spinning, under acceleration, on slippery surfaces.

Security

Standard features • Electronic theft protection for audio equipment • Visible Vehicle Identification Number (VIN) • 'Key left in ignition' audible warning • Electronic engine deadlock immobiliser • Internal release handle for fuel filler flap • Removable luggage compartment cover

Additional feature

Remote control two-stage central locking with security deadlocks (includes tailgate and internal control button for doors)

Club Design

● ●

Heating and ventilation

Standard features • Air blend heater with four-speed fan and illuminated controls • Interior pollen filter • Air recirculation system • Side window demist vents and four adjustable face-level air vents

Additional feature

Air conditioning

Club Design

○ ●

Facia, instruments and controls

Standard features • Three-spoke steering wheel • Trip odometer • Multi-function display panel showing time, mileage and fuel level • Digital clock • Service-due indicator • Low fuel level warning light • Glovebox with lid • Electrical accessory socket

Additional features

Tiltable steering column

Multi-function trip computer incorporating instantaneous/average fuel consumption and range remaining

Outside air temperature display incorporating ice warning function

Variable instrument panel illumination

Pod-mounted rev counter

Leather-covered steering wheel

Club Design

Vauxhall supporting

Smarter driving tips

- Drive at an appropriate speed: – Staying within the speed limit increases driver safety, reduces CO₂ emissions and saves fuel. At 70mph you could be using up to 9% more fuel than at 60mph and up to 15% more fuel than at 50mph
- Drive smoothly at all times: – Anticipate the ebb and flow of the traffic to avoid harsh acceleration and braking
- Reduce your revs: – Change gear earlier to help reduce fuel consumption – try 2500 rpm with petrol engines and 2000 rpm with diesel
- Idling is wasting fuel: – If you're likely to be at a standstill for more than three minutes, switch off the engine to save fuel
- Regularly check your tyre pressures: – Under inflated tyres increase CO₂ emissions whilst incorrectly inflated tyres can be unsafe. Always check your handbook for the correct tyre pressure. This will also help to increase the life of your tyres
- Remove unnecessary items from the car: – Extra weight increases the engine's workload, whilst roof racks and bike carriers increase wind resistance. All burn more fuel and increase CO₂ emissions

Engines

	1.0i 12v	1.2i 16v	1.3CDTi 16v ECOTEC-4
Fuel type	Petrol	Petrol	Diesel
Capacity	996cc	1242cc	1248cc
Maximum power	65PS (48kW) @ 6000rpm	86PS (63kW) @ 5500rpm	75PS (55kW) @ 4000rpm
Maximum torque	90Nm (66 lb.ft.) @ 4800rpm	114Nm (84 lb.ft.) @ 4400rpm	190Nm (140 lb.ft.) @ 1750rpm
Configuration	3 cylinders, 4 valves per cylinder, double overhead camshafts	4 cylinders, 4 valves per cylinder, double overhead camshafts	
Fuel/induction system	Multi-point sequential electronic fuel injection		Turbocharger with intercooler. Common rail fuel injection
Service interval	10,000 miles or 1 year (whichever occurs sooner)		
<i>Benefit in kind company car taxation – 2009/10 tax year</i>			
Manual	10%	15%	13%
Automatic	–	16%	–

Performance, fuel economy and emissions

Model	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km)			CO ₂ emissions (g/km)
	Maximum speed (mph)	Acceleration 0-60mph (secs)	Urban driving	Extra-urban driving	Combined figure	
1.0i 12v	99	14.1	47.9 (5.9)	64.2 (4.4)	56.5 (5.0)	119
1.2i 16v manual	109	11.8	40.9 (6.9)	60.1 (4.7)	51.4 (5.5)	129
1.2i 16v automatic	106	14.2	36.2 (7.8)	57.6 (4.9)	47.9 (5.9)	142
1.3CDTi 16v	103	13.3	51.4 (5.5)	70.6 (4.0)	62.8 (4.5)	120

The fuel consumption figures shown comply with EC directive 1999/100 to provide a realistic indication of fuel consumption by taking into account everyday driving conditions, such as cold starts, acceleration and braking. These figures take account of the vehicle's kerbweight, ascertained in accordance with the above regulation. **Important:** the results given relate to the particular car tested. Driving style, road and traffic conditions, vehicle mileage and standard of maintenance may also affect fuel consumption; therefore the results do not express or imply any guarantee of fuel consumption attainable.

Weights and towing data (kg)

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.0i 12v	1485	–
1.2i 16v manual	1485	200 (200)
1.2i 16v automatic	1485	200 (200)
1.3CDTi 16v	1530	–

Please note: For models fitted with air conditioning 10kg must be added to gross vehicle weight. **Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed a total of 35kg. The **maximum towing weight** is based on the ability of the car – with two occupants of 75kg each – to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 50kg. Always fit Vauxhall roof carrier systems and towing accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

Exterior dimensions millimetres (inches)

Vauxhall Assistance and warranties*

- A one-year unlimited mileage manufacturer's warranty
- Second and third year no-fee customer option warranty up to 60,000 miles (from first registration)
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

* = Warranty is only available on vehicles sourced from General Motors UK Limited. Terms and conditions apply – please see your Vauxhall retailer for details.

Body

- Aerodynamic drag co-efficient: Cd 0.32

Steering

- Speed-sensitive electric power-assisted rack and pinion system
- Energy-absorbing steering column
- Turning circle (kerb-to-kerb): 9.60m (31.5ft)
- Turns lock-to-lock: 3.2

Suspension

Front: Independent. MacPherson struts with gas-pressure dampers and linear-rate coil springs. Anti-roll bar.

Rear: Torsion beam with gas-pressure dampers and linear-rate coil springs.

Fuel tank capacity

- 45 litres (9.9 gallons)

Brakes

- Anti-lock Braking System (ABS)
- Dual circuit, diagonally split, servo-assisted system
- Asbestos-free friction material
- Corrosion-protected brake pipes
