

New Astra

Range Highlights

Astra SRi

Introducing the all-new Astra from Vauxhall.

A bold new shape and a dynamic driving experience. Innovative technology and a premium feel, inside and out. Your all-new Astra. Engineered to energise.

To receive exclusive updates on New Astra and be one of the first to test drive it, register your details at www.astra-and-action.co.uk

The vehicles illustrated may not necessarily represent the correct UK specification and not all of the features described are available on every model.

A black Opel Astra hatchback is shown from a rear three-quarter view, parked on a cobblestone surface at night. The car is positioned in the lower right portion of the frame. In the background, a large, modern architectural structure with a curved, metallic finish is illuminated from within, creating a warm, golden glow. The sky is dark, and some distant city lights are visible in the background. The overall scene is dramatic and emphasizes the car's sleek design.

Steal the scene.

New Astra has a lean sculpted shape, a five-door silhouette, yet athletic coupé-inspired lines. And a sporty confident stance accentuated by signature lighting. New Astra – redefining traditional hatchback design inside and out.

Star quality comes from within.

The ethos of new Astra design continues inside. Not just flexible space and comfort for five. Driver-orientated ergonomics, intelligent features and unique storage solutions. But superior quality and almost obsessive detailing that flows throughout the car.

Astra SRi

A real performer.

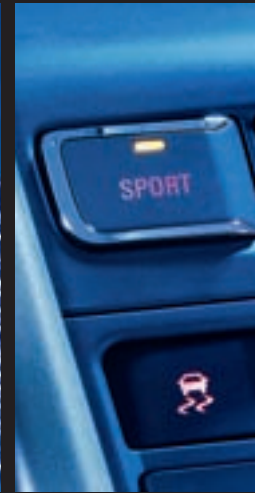

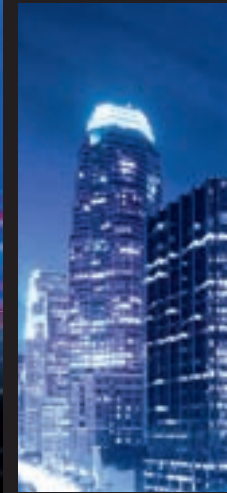

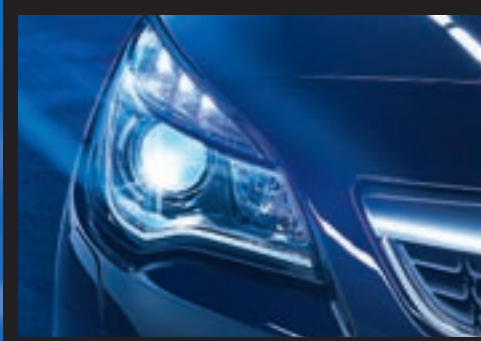

New Astra drives as dynamically as it looks. You're connected to the road with a new suspension set-up for seriously improved ride and agility. Add powerful, more efficient, engines and the result is an altogether more exhilarating experience,

Special effects in every scene.

When you're in touch with the latest technology, life just becomes simpler, safer and stress-free. New Astra's FlexRide system provides a different driving feel to match your mood. And the Astra's intelligent AFL headlights change with the driving conditions.

Astra S

- Electronic Stability Programme (ESP)
- Driver's and front passenger's airbags
- Front seat side-impact airbags
- Full-size curtain airbags
- Active-safety front seat head restraints
- Daytime running lights
- 16-inch steel wheels with flush wheel covers

Power and efficiency

New Astra balances lively performance with fuel efficiency and low, Euro 5 compliant emissions. As you'd expect, it's all down to innovative engine technology. Three naturally-aspirated petrol engines feature the latest in Variable Valve Timing (VVT) – an all-new 1.4i 16v VVT available with 87PS† and 100PS power outputs, and the 115PS 1.6i 16v VVT engine. And there are now two turbocharged engines – an exciting all-new 140PS 1.4i 16v VVT joining the proven 180PS 1.6i 16v unit. The diesel range – all with common rail multi-injection and variable geometry turbochargers – extends to a 1.3CDTi (95PS)††, two 1.7CDTi versions (110PS and 125PS) and a 160PS 2.0CDTi unit. An advanced six-speed automatic is also available with selected engines (see below).

†Not available at launch. ††Anticipated availability Spring 2010.

* = Figures apply to vehicles fitted with wheels up to 17 inches in diameter. ** = Figures apply to vehicles fitted with 18-inch or 19-inch wheels.

tba = To be advised. Figures not available at time of going to press.

All information was accurate and up-to-date at the time of going to press. The company reserves the right to alter engine specifications at any time, which may influence the content of the shown data. Please consult your Vauxhall retailer for the latest information. All figures quoted relate to the EU base model with standard equipment. Fuel consumption data and CO₂ emission data determined according to regulation EC 715/2007 and regulation EC 692/2008, taking into consideration the vehicle weight in running order, as specified by the regulation. Additional equipment may lead to slightly higher results than the stated consumption and CO₂ figures. In addition, it may increase the weight of the vehicle when empty and in some cases the permissible axle weights as well as the permissible total weight of the vehicle and reduce the permissible towing weights. This may lead to a reduction in top speed and increased acceleration time. The driving performance figures shown are attainable when the vehicle is empty, plus a load of 200 kilograms.

Trust Vauxhall

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards, won both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators, a three-day test drive programme and information on whole life costs, company car taxation and finance. For further information please call **0870 010 0651**.

Buying your car

GMAC offers one of the most comprehensive and competitive ranges of financing plans in the UK. Contact your local Vauxhall retailer for details or call the GMAC customer service centre on **0845 712 3444**.

When you have finished with this brochure please recycle it

The GM Card is issued by HFC Bank Limited and is available to persons aged 18 years or over and resident in the UK (or 21 and over in the Channel Islands) and is subject to status and conditions. Written quotations are available upon request from The GM Card, PO Box 3615, Birmingham B3 2RJ. The typical APR quoted is the rate for new customers. Rebate Points are earned on purchases using The GM Card. Rebate Points are not earned on Balance Transfers or Cash Advances. You earn money off a new Vauxhall/Saab by accumulating Rebate Points under the Rebate Points Programme. General Motors UK Limited is solely responsible for the operation of the Rebate Points Programme, which is subject to the Rebate Points Programme Rules. *You can redeem up to 2500 Rebate Points subject to the Model Line Maximum which will vary in amount in relation to different Vauxhall/Saab vehicle model lines and unlimited Partner Points. Rebate Points and unlimited Partner Points are redeemable as discounts on a new Vauxhall/Saab vehicle and must be redeemed four years from the issue date. Rebate Points may not be redeemed by Motability Contract Hire customers. The GM Card is a trading name and style of both HFC Bank Limited and General Motors UK Limited. HFC Bank registered in England No. 1117305. Registered Office: North Street, Winkfield, Windsor, Berkshire SL4 4TD is authorised and regulated by the Financial Services Authority. Member HSBG Group. HFC Bank Limited is not a member of the same group of companies as General Motors UK Limited, Saab GB Limited or GMAC UK plc. General Motors UK Limited, Registered Office: Griffin House, Osborne Road, Luton, Bedfordshire LU1 3YT. Registered in England number 135767. - CN6/0987.

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (August 2009). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity; please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Please note that Vauxhall retailers are not the agents of General Motors UK Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. Please note accessories shown are for illustrative purposes only. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources.
